to Support the Launch
of a New Progressive
Organizing Effort!

Dear Friend,

After beginning with the promise of hope and change, 2009 saw a troubling attempt by some in our country to destroy the work of organizations fighting for health care reform, immigration reform, financial industry reform, and labor law reform through misleading personal attacks and sting operations. We've only come out stronger. That is why we're hoping you'll join us for a very special event to reflect on lessons learned and exciting new plans to launch a more powerful progressive organizing effort in early 2010.

What

Fundraiser/Friendraiser to support the launch of a major new organizing effort: Alliance of Californians for Community Empowerment (ACCE)

When

5:30 - 7:30PM, Tuesday, February 16

Where

Mama's Hot Tamales Cafe, 2124 W. 7th St.,
LA, CA 90057, just across from MacArthur Park

Cost

\$35 suggested donation (includes light meal and one drink; cash bar also available)

Checks should be made out to "Community Partners for ACCE Education and Training Project." Community Partners, a Section 501(c)(3) public charity, serves as fiscal sponsor for ACCE's charitable activities. Contributions to Community Partners to support ACCE's charitable activities are, therefore, deductible as charitable contributions to the extent permitted by law. Thank you for your support.
